

Alex Goodman

Data Scientist

San Luis Obispo, CA | agoodman252@gmail.com | tallex01.github.io | (805)-305-9413

Education:

Bachelor of Science in **Statistics**

Sept. 2020 – Dec. 2024

- *California Polytechnic State University*, San Luis Obispo, CA (Cal Poly)
- Cumulative GPA: 3.2

Master of Science in **Data Science**

Aug. 2025 – Dec. 2026 (expected)

- *Mercyhurst University*, Erie, PA
- Cumulative GPA: 4.0

Experience:

Consulting and Research – *Mercyhurst University*, Erie, PA

Jan. 2026 – Present

- Worked with the Quantum Forge (a data science program within the Applied Intelligence organization CIRAT) on a variety of projects for three semesters, including an AI resume scanner. Took over as Team Lead for Summer and Fall 2026.

Tutoring – *Mercyhurst University*, Erie, PA

Feb. 2026–Present

- Worked individually with students requiring assistance in mathematics, statistics, and data science courses. Ensured students received clarity with course material, reinforcing key concepts through practice problems and visualizations

Internship – *Space Force*, El Segundo, CA

May – Sept. 2024

- Worked toward a risk analysis on space debris incidents for developing space-based search and rescue procedures

Statistical Consulting – Senior Project Class – *Cal Poly*, San Luis Obispo, CA

Mar. – Jun. 2024

- Consulted with three groups of professional clients on how to best address their data-related needs. Analyzed company data in SAS, R, and Minitab, writing memorandums for each, and discussing results with clients at initial and follow-up meetings

Technical Skills:

- Python, SQL, Power BI, R/RStudio, SAS, JMP, Minitab, Tableau, Microsoft Office Suite

Relevant Coursework:

- Relational and Nonrelational Databases, Data Visualization, Calculus Applications in Machine Learning, Linear Algebra for Data Science, Probability Theory, Time Series Analysis
